

# About us

**Szynk** – formerly a pub, tavern. The restaurant is located in the Krakow district of Kazimierz at **ul. Podbrzezie 2**, next to the Tempel Synagogue. The interior is characterized by a cozy atmosphere. This is a place where you can meet your loved ones – family, friends and enjoy meals together. It is also a place where we are surrounded by an amazing atmosphere, as well as a friendly service that provides our clients with a sense of uniqueness and openness to their wishes. The chef recommends Polish dishes, which are always prepared immediately before serving.
